DETAILED ACTION

1. This communication is in response to the Amendment filed on June 08, 2004.
2. After a search and a thorough examination of the present application and in light of the prior art made of records, claims 1-5 are allowed.

Reason for Allowance

3. The prior art made of records does not teach or fairly suggest the combination of elements, as recited in independent claim 1. More specifically, the prior art of records fails to fairly teach the steps of

"a controller, coupled to said recorded signal output device, said video output, said memory and said communication device, to control said apparatus to play back the recording regardless of whether said communication device is in communication with the remote database, to repeatedly try to establish communication with the remote database, to query the remote database using the indicating data when communication is established and to supply the textual recording name of the recording from the remote database to said memory"

The dependent claims, being definite, further limiting, and fully enabled by the specification and are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
